

CFS Home School Agreement

2021-2022

All pupils, parents/carers and CFS staff are requested to support our home school agreement which clarifies the high standards we expect from all members of the CFS community. The School believes strongly that young people perform at their best when rules on behaviour and respect are applied fairly and consistently. The close involvement of parents/carers, pupils and school staff is vital for this to be achieved successfully.

As Teachers and Staff of CFS we agree to...

- provide a framework of teaching, learning and guidance appropriate to the age and ability of each individual young person.
- provide a safe and secure environment.
- create and uphold a calm and purposeful learning environment by implementing the Behaviour Management Policy.
- offer a broad, balanced and ambitious curriculum, in line with the School's ethos.
- keep parents/carers informed about the progress of their child.
- contact parents/carers if there are problems/concerns with attendance/punctuality, behaviour or equipment, and always in a respectful manner.
- provide a range of extra-curricular activities.
- make every effort to enable all pupils to achieve high standards of work and behaviour by building positive relationships and developing a sense of individual responsibility.
- teach pupils the principles of personal safety, including e-safety.
- value all pupils as individual members of the school community.
