

Learning Profiles

5

A Real Achievement!

- I use my own initiative and take ownership of my learning.
- I thrive working with others, valuing others contributions with empathy to achieve a common goal.
- I seek out challenges and have a limitless attitude.
- I aim for the best in everything I do and don't stop until I am proud.
- I tackle learning opportunities with determination, a positive attitude and perseverance.
- I ask questions about my learning, completing independent study in response to this.

TEACHER COMMENT:

Congratulations, you are a legend!

NEXT STEPS:

Keep this up and aim to achieve all parts of Learning Profile 5!

4

Challenge Yourself to Achieve This!

- I am able to work independently and will select known resources to support me.
- I enjoy working with others.
- I enjoy rising to a challenge and will sometimes independently select a challenge.
- I take pride in both my school work and homework.
- I regularly show perseverance with a 'can do' attitude.
- I always ask questions about my learning.

TEACHER COMMENT:

Congratulations, you are doing a great job!

NEXT STEPS:

Challenge yourself to exceed expectations more consistently.

3

Most Pupils - Our Minimum Expectations

- I am able to work independently.
- I work well in a group.
- I engage in challenges when directed.
- I take pride in the work I do in class.
- I am motivated to achieve my learning.
- I ask questions about my learning.

TEACHER COMMENT:

Well done, you are working well.

NEXT STEPS:

Challenge yourself to go above and beyond the minimum expectations each lesson.

2

Try and Avoid Being Here!

- I sometimes rely on an adult to prompt me with my learning.
- I can work in a group with support from an adult.
- I shy away from all challenges and need support to access them.
- I occasionally produce work I am proud of.
- I need encouragement to complete tasks.
- I need prompting to be curious about my learning.

TEACHER COMMENT:

We have some concerns about your work ethic and it needs improvement so that you can reach your potential.

NEXT STEPS

Work more consistently in lessons and avoid receiving any sanctions.

1

Serious Concerns - We Hope Very Few Pupils Will Fall Here

- I struggle to initiate my own learning.
- I do not work well in group activities.
- I work at a level that I find easy or can achieve quickly.
- I rarely show pride in my work and rush to complete tasks.
- I lack determination.
- I am not interested in my learning.

TEACHER COMMENT:

We are significantly worried by your lack of motivation and poor behaviour for learning.

NEXT STEPS:

Urgently approach your studies more positively, and reduce the number of sanctions you are receiving.
