## Primary

**Play Therapy offer:** We are fortunate to be able to offer the opportunity for parents to book sessions with a Creative Arts Therapist who has offered to work with primary aged pupils at CFS. If your child struggles to express themselves and process emotions, thoughts and experiences, these sessions will help support your child to do so. The sessions are booked and paid for by parents/carers directly with them. CFS is able to provide a room to facilitate the sessions. More information can be found on the leaflet on our website, link here: <https://www.chichesterfreeschool.org.uk/weekly-bulletin/>.

**Medications in school:** At the end of last year, all medication including inhalers were sent home for pupils in the Primary phase. Please could all required medication and inhalers (in date) be returned to school. Inhalers can be sent in with the children themselves but all other prescribed medication must come into school via Main Reception complete with the signed form for the new school year.

## Secondary – Week 1 timetable

### KS4 Food Technology, Design and Technology and Art

We have a very successful system at CFS whereby parents/carers pay a contribution at the start of the academic year for ingredients and materials supplied by the school to cover the year. We apologise that these ParentPay items were not available for payment to be made over the Summer break. These items have now gone live and we ask that contributions are now paid by **30th September**, rather than 3<sup>rd</sup> September as set out in the original letters: [Back To School | Chichester Free School](#)

## Year 7

**Wednesday 1700 - 1830:** Meet the Tutor event for pupils and parents. Further details have been emailed to parents.
