Forest School Shelter

We would love to continue running Forest School sessions throughout the winter weather! Do you, or someone you know, have a large marquee that could be donated or loaned to us? It would need to be large enough to allow a class to complete outdoor learning activities in our Forest School area but stay undercover.

Our long-term wish is to have a wooden shelter built but we are unable to fund this at the moment. If you are a builder/ tradesmen/ handyman or someone who could give time or resources to help us realise this dream, please do get in touch!

If you think you could help, please contact ghayes@chichesterfreeschool.org.uk
