## Bake Off Results

For our CFS Bake Off this year, we challenged our students to make a cake fit for a Queen! After many hours of going through entries and seeing what our amazing students have baked (and there were many amazing entries) our wonderful guest judges have come to a decision as to who will hold the Star Baker award. Huge well done to **Arthur Turner in Year 3** who made an amazing Pic n Mix cake which was enjoyed by all the family and **Isla Kavanagh Brown** who made a royal jubilee cake with very intricate icing and piping techniques. Both cakes really stood out for their hard work and dedication. Both Arthur and Isla have earned their houses 100 points each towards the final total for this year's HOUSE CUP! The bakers also agreed that the effort from this house was outstanding, well done to PEGASUS house who baked the most entries. Well done to all students involved.
