Calling for Help with BTEC Business Enterprise Coursework.

Are there any business owner parents or friends who employ between 11-100 people that would be willing to give up some time to come in and be interviewed by our BTEC Enterprise Year 10 pupils? We are looking to hold these interviews as soon as possible and they would last for approximately one hour. If there is anyone willing please could you contact Miss Seal on eseal@chichesterfreeschool.org.uk. Thank you

Another call for help - Cherry picker or moveable scaffolding tower?

Does anyone have access to any of the above to help in removing the balls that are stuck in the sports hall beams and cricket nets? It would need to be fairly light weight as the sports hall has a sprung floor. If you can be of any assistance please email smoon@chichesterfreeschool.org.uk. Thank you.
