Work Experience Week: **Tuesday 30th June to Thursday 2nd July**. Please continue to support your child by helping them find a 'Work Experience' placement. Many find placements with friends and family; getting in contact with local businesses might also be fruitful. The focus is to 'experience work' during this week- by that, the experience does not have to be something they are keen on going into as a career. Mr Angell has recently sent some communication out about how to process this through Unifrog- placements must go through this system before a child is allowed to attend. A YouTube tutorial from the school to support the completing of this Unifrog process can be found [here](#) . Do please contact Mr Angell should you have any questions about this week.

### Year 11

**Tuesday – Wednesday:** GCSE art exam.

**CFS Gold Passport applications are open!** All Year 11 pupils have the opportunity to apply for the CFS Gold Passport! This is an important award to showcase the growth, challenges, successes and character developed whilst a pupil at the school. An information letter that pupils have received about the purpose of it and how to apply can be found on our website, [here](#). The application should take no longer than a few minutes to prep for, and then either write up, record, or ask to be interviewed for a few minutes. We urge all pupils to apply; the **deadline is the 8<sup>th</sup> May**.
