General Notices

Science Olympics: Science Olympics on Thursday 19th March from 17:00-18:30 in Secondary Science Labs for Primary and Secondary pupils and their families. Please confirm attendance by completing the online registration form: [Science Olympics Registration 2026](#)

Parent Ambassadors. We recently held our second Parent Ambassador meeting of the school year and the minutes can be viewed on our website [here](#).

Sibling photos: All families that had sibling photos taken will have received an email from Yellow Photography. Closing date to order photos is 17th March.

Chichester Racquet and Fitness Club: CRAFC are offering free tennis sessions for children on a Friday afternoon. Please see our website for further details. [here](#).

Easter holiday events: There are lots of events happening over the Easter holidays, details of which can be found on our website [here](#).

Exam Invigilators: We are looking for additional exam invigilators to cover the GCSE summer exams in May and June. Please email exams@chichesterfreeschool.org.uk for further details.

Free singing taster sessions: Our wonderful singing teachers are offering free lesson trials for a limited time only. Please see their poster for more details and how to book [here](#).

Important Dates and Events for Week Beginning 9th March 2026

(please read the Whole School section and any year group section relevant to your child/ren)

Secondary – Week 1 timetable

Wednesday: Corporate Challenge Race 2

Saturday: DofE training walk.

Year 7 - 10

Monday: Dance House rehearsals and evening performance in Worthing.

Year 10

Hard to Human project: please be aware that all Year 10 pupils have been involved in workshops surrounding the development of personal strategies to support emotional resilience, stress management and self-awareness. The sessions have been delivered by a local organisation called 'Hard to Human' and your child has had colourful A4 booklets to take away- do ask to see them. If you would like to know more about Hard to Human and the work that they do, please find information [here](#).

Work Experience Week: We have recently launched Work Experience Week with the pupils during an assembly and PSHE classes this last fortnight. Work Experience Week is 29th June - 3rd July. Communication to parents with regards to this week will be sent early next week; this will include an important YouTube clip explaining how to inform School of the placement (on Unifrog) so that the relevant checks can take place with the employer to make it legally possible to happen. Please do look out for this email.

Year 11

WSCC Thought-Full: Over the next fortnight, the WSCC Thought-Full team will be in school delivering Exam Stress workshops during Personal Development sessions. Each child will get a colourful booklet with strategies to help when things might become overbearing in the lead-up to the GCSE exams. Please can I ask you to talk about the session with your child, look at the booklet, and have it to hand over the next few months. PC Sarah Pack, our local Neighbourhood Youth Office, has also been in school this last fortnight leading discussions around personal safety as they leave CFS and start in new settings.
