

CFS Covid-19 Catch Up Funding 2020-2021

During the course of this academic year, CFS will receive a total of **£80,600** across the Primary and Secondary phases from the national Covid-19 Catch Up Fund. This fund is to be used to address the learning and progress gaps caused by school closures last academic year, and to continue to support pupils affected by the ongoing pandemic in 2020-2021. The money is received in instalments and so spending will be staggered throughout the year. This report will be updated later in the year to reflect on the impact of the designated spending.

Allocation	Fund	Pupils Supported	Description	Impact – to be updated later in year
Accelerated Reader	£3036	Years 3 to 8	Key Stage 2 and 3 reading package extended and continued to support the reading gap identified due to lockdown.	
Satchel One Remote Learning Package	£5288	Years R to 13	More comprehensive remote learning package established for this academic year to support all absent pupils, to limit further disruption to learning. Live feedback tool utilised for periods of bubble self-isolation or lockdown, to create as 'normal' a remote teaching package as possible.	
Key Stage 1 Reading Programme	£240	Years R to 2	New early reader programme established to support the reading gap identified due to lockdown – key focus on these early years to ensure the gap doesn't grow further	
Learning Resources for Secondary classrooms and remote learning	£9000	Years 7 to 11	Range of learning equipment and resources purchases to support specialist subject teaching in all areas of the school, due to zoning. This is to ensure the full curriculum can be delivered regardless of lesson location in the school, so that no year group is affected. E.g. whilst only Year 11 and 13 can access Science labs, extra Science equipment has been purchased to ensure the Science curriculum can be delivered elsewhere for other year groups. Equipment and resources also provided for disadvantaged pupils to complete remote learning.	
Primary HLTA	£15917	Years 3 to 6	Dedicated HLTA employed for one academic year to conduct small group and 1 to 1 maths and English interventions in Key Stage 2.	
Secondary HLTA	£17119	Years 7 to 11	Dedicated HLTA employed for one academic year to conduct small group and 1 to 1 maths and English interventions in Years 7 to 10. Model allows internal interventions from CFS teachers, to therefore focus on Year 11.	
Individual Devices	£5000	Years R to 11	Devices provided for disadvantaged and SEN pupils to access work in school and remotely.	
Chrome Book class sets	£25000	Years R to 11	To be purchased by second instalment of money – Chrome Book class sets in Primary and Secondary to support catch up ICT packages in the classroom.
