"I LOVE LITERATURE! I LOVE THE WAY THAT YOU EXPLORE DIFFERENT TEXTS AND A HUGE VARIETY OF WRITING STYLES"

English Literature

2 YEAR COURSE

AQA-7712

What will I study?

The A-level course uses the historicist approach to texts which rests upon reading texts within a shared context. Students are encouraged to explore the relationships that exist between texts and the contexts in which they were written, received and understood. Students are encouraged to read widely across a range of texts and connect them across time and topic. Appreciating alternative readings and allowing for a range of interpretations is also central to the methods students will use to approach texts. Students will be encouraged to create an argument and show personal preferences for interpretations of texts.

Love Through the Ages:
Exploration of aspects of a literary theme ('Love through the Ages') as seen through time. Students will study three texts: one prose, one poetry and one Shakespeare drama.

Texts in Shared Contexts – Modern Times:
Literature from 1945 to the present day. Students will study three core texts and a wide range of prose extracts.

Independent Critical Study:
Texts across Time. This extended essay will be a comparative critical study of two texts, at least one written pre-1900.

How will I be assessed?

Component 1: Love Through the Ages (written examination)

Component 2: Texts in Shared Contexts – Modern Times (written examination)

Component 3: Non-Exam Assessment – Independent Critical Study

What can I do next?

Suitable for careers in Journalism, Teaching including English as a Foreign Language, Librarianship and Information Management, Advertising and Copywriting, Law, The Arts, Journalism, Education, Marketing and Public Relations.

Assessment Objectives

AO1	Articulate informed, personal and creative responses to literary texts
AO2	Analyse ways in which meaning are shaped in literary texts
AO3	Demonstrate understanding of the significance and influence of the contexts in which texts are produced and received
AO4	Explore connections across texts
AO5	Explore literary texts informed by different interpretations

Entry Requirements

5 GCSEs at Grade 5 or above with a Grade 6 in English Language and Literature

What suits you? Do your research.

College	Sixth Form
More Subjects on offer - T Levels, CTEC, BTEC, A Level.	Smaller individualised setting. Traditionally A level pathway.
3 days a week - full days.	Lessons spread over a fortnightly/ weekly timetable.
More independent in some aspects. However larger setting.	Charity/community engagement - family feel.
Vocational full time courses	Connected to a school.
Apprenticeship connections with local businesses.	Traditionally A level routeway and expertise into University routeways/ Degree Apprenticeships.

Opportunities!

Our **SIXTH FORM** students visited Winchester Uni for the 2025 UCAS Discovery Day

Two buses recently departed from CHS heading to the University of Winchester.
At the UCAS Discovery event, participants explored various options for traditional degrees, apprenticeships, careers, and more, all in one place. They received guidance on entry requirements, accommodation, and student loans.

- At UCAS Discovery, you can:
- chat to unis and colleges about their courses and uni life
 - speak to employers and apprenticeship providers about what an apprenticeship is like and the options available
 - listen to talks from experts in their fields
 - Get dedicated support from our UCAS experts about your options

"At UCAS Discovery, I spoke to almost every person about different course options available in the subjects I liked, and asked loads of questions. There was one student that spoke who said, 'If you study something that you love, you don't feel like you're studying it', which was so inspirational I decided to study Engineering at University."

A photograph of two women embracing on a city street. The woman on the left has long brown hair and is wearing a black and white patterned short-sleeved shirt. The woman on the right has short reddish-brown hair and is wearing a white short-sleeved shirt and a dark skirt. They are standing on a paved sidewalk. In the background, there are trees, a building, and a white van. The scene is bright and sunny. Overlaid on the image are several colorful, abstract graphic elements: a large blue teardrop shape on the left, an orange teardrop shape below it, a purple teardrop shape on the right, and several small starburst shapes in blue, green, and orange scattered around the central text.

Maths & English

It's important that you try your best to achieve your Maths and English GCSEs whilst at school.

Most post 16 options will have entry requirements, these requirements will vary on the course and college. However, the majority will ask for Maths and English GCSE.

If you need extra support with maths and English, then please speak to your teachers sooner rather than later.
