## ART GCSE

### TAUGHT COURSE COVERAGE

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
<b>A01</b> Develop ideas through investigations, demonstrating critical understanding of sources.	All Assessment Objectives have been fully covered, however, the final evidence bank itself has been adapted due to the restrictions imposed by the two periods of remote learning.
<b>A02</b> Refine work by exploring ideas, selecting and experimenting with appropriate media, materials, techniques and processes	
<b>A03</b> Record ideas, observations and insights relevant to intentions as work progresses.	
<b>A04</b> Present a personal and meaningful response that realises intentions and demonstrates understanding of visual language.	

### EVIDENCE BANK

The table below outlines the pieces of evidence that will be collated for each pupil's portfolio, and ultimately used to determine their centre assessed grade. This list is for the majority of pupils; where a pupil is unable to complete a piece of evidence due to unavoidable circumstances caused by the pandemic, allowances will be discussed on an individual basis.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
Portfolio – Sketchbook 1 and Final Pieces	All Assessment Objectives, holistically assessed	Work in progress, will be completed during Courage 1.
Portfolio – Sketchbook 2 and Final Pieces		

For any queries, please contact Mr Lean via [alean@chichesterfreeschool.org.uk](mailto:alean@chichesterfreeschool.org.uk)

## BIOLOGY GCSE

### TAUGHT COURSE COVERAGE

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
Paper 1- B1 Cell Biology	Fully covered.
Paper 1- B2 Organisation	Fully covered.
Paper 1- B3 Infection and response	Fully covered.
Paper 1- B4 Bioenergetics	Fully covered.
Paper 2- B5 Homeostasis and Response	Fully covered.
Paper 2- B6 Inheritance and Variation	Partially covered due to lockdowns – will be reflected in evidence bank.
Paper 2- B7 Ecology	Partially covered due to lockdowns – will be reflected in evidence bank.

### EVIDENCE BANK

The table below outlines the pieces of evidence that will be collated for each pupil's portfolio, and ultimately used to determine their centre assessed grade. This list is for the majority of pupils; where a pupil is unable to complete a piece of evidence due to unavoidable circumstances caused by the pandemic, allowances will be discussed on an individual basis.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
December mock examination	All elements	Already completed. Will be used to benchmark and show ongoing progress.
Cell Biology Topic Test	B1	Already completed.
Organisation Topic Test	B2	In class during early May.
Bioenergetics Topic Test	B4	In class during late April.
Homeostasis and Response Topic Test	B5	In class during mid May.

## CHEMISTRY GCSE

### TAUGHT COURSE COVERAGE

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
Paper 1 – C1 Atomic Structure and the Periodic Table	Fully covered.
Paper 1 – C2 Bonding, Structure and Properties of Matter	Fully covered.
Paper 1 – C3 Quantitative Chemistry	Fully covered.
Paper 1 – C4 Chemical Changes	Fully covered.
Paper 1 – C5 Energy Changes	Fully covered.
Paper 2 – C6 Rate and Extent of Chemical Change	Fully covered.
Paper 2 – C7 Organic Chemistry	Fully covered.
Paper 2 – C8 Chemical Analysis	Fully covered.
Paper 2 – C9 Chemistry of the Atmosphere	Partially covered due to lockdowns – will be reflected in evidence bank.
Paper 2 – C10 Using Resources	Partially covered due to lockdowns – will be reflected in evidence bank.

## COMPUTER SCIENCE GCSE

### TAUGHT COURSE COVERAGE

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
<b>Component 1: Computer Systems</b> (systems architecture, memory, storage, wired and wireless networks, network topologies protocols and layers, system security, system software, ethical/legal/cultural/environmental concerns)	The majority has been fully covered. However, due to lockdown ethical/legal/cultural/environmental concerns has only been partially covered, and this will be reflected in the evidence bank.
<b>Component 2: Computational thinking, algorithms and programming</b> (algorithms, programming techniques, producing robust programs, computational logic, translators and facilities of languages, data representation)	The majority has been fully covered. However, due to lockdown translators and facilities of languages has only been partially covered, and this will be reflected in the evidence bank.

### EVIDENCE BANK

The table below outlines the pieces of evidence that will be collated for each pupil's portfolio, and ultimately used to determine their centre assessed grade. This list is for the majority of pupils; where a pupil is unable to complete a piece of evidence due to unavoidable circumstances caused by the pandemic, allowances will be discussed on an individual basis.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
December mock examination	Paper one explored Component 1, paper two explored Component 2.	Already completed. Will be used to benchmark and show ongoing progress.
Computer Systems topic assessment	Component 1 (Units 1.1, 1.2, 1.3, 1.6, 1.7)	In class during Courage 1.
Combined topic work	Components 1 and 2 (Units 1.4, 1.5, 2.4, 2.6)	In class during Courage 1.
Computational Thinking topic assessment	Component 2 (Units 2.1, 2.2, 2.3)	In class during Courage 1.

## PHYSICAL EDUCATION GCSE

### TAUGHT COURSE COVERAGE

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
1.1. Applied Anatomy and Physiology	Fully covered and revisited.
1.2 Movement Analysis	Fully covered and revisited.
1.3 Physical Training	Fully covered remotely, knowledge used to support NEA project.
1.4 Use of Data	Only partially covered due to lockdown, and will not be part of evidence bank.
2.1 Sports Psychology	Fully covered, knowledge used to support NEA project.
2.2 Social Cultural Influences	Fully covered.
2.3 Health, Fitness and Well-Being	Fully covered and revisited.
NEA Practical Performance	Partially covered – sports and evidence adapted due to the current accessibility to competitive sport and facilities.
NEA Performance Analysis Assessment	Fully covered, but final evidence adapted to reflect practical restrictions.

### EVIDENCE BANK

The table below outlines the pieces of evidence that will be collated for each pupil's portfolio, and ultimately used to determine their centre assessed grade. This list is for the majority of pupils; where a pupil is unable to complete a piece of evidence due to unavoidable circumstances caused by the pandemic, allowances will be discussed on an individual basis.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
December mock examination	1.1, 1.2, 2.1, 2.3	Already completed but opportunity to re-sit in Courage 1.
Video and visual evidence of sports practical skills	NEA: Practical Performance	Data has been gathered over whole course, with final opportunities in Courage 1.
NEA written analysis piece	NEA: Performance Analysis Assessment and 2.1	Development of this coursework style piece from March to May.
Module test	2.2	In class during Courage 2.

## PHYSICS GCSE

### TAUGHT COURSE COVERAGE

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
Paper 1 – P1 Energy	Fully covered.
Paper 1 – P2 Electricity	Fully covered.
Paper 1 – P3 Particle Model of Matter	Fully covered.
Paper 1 – P4 Atomic Structure	Fully covered.
Paper 2 – P5 Forces	Partially covered due to lockdowns – will be reflected in evidence bank.
Paper 2 – P6 Waves	Partially covered due to lockdowns – will be reflected in evidence bank.
Paper 2 – P7 Magnetism and Electromagnetism	Fully covered.
Paper 2 – P8 Space Physics	Fully covered.

### EVIDENCE BANK

The table below outlines the pieces of evidence that will be collated for each pupil's portfolio, and ultimately used to determine their centre assessed grade. This list is for the majority of pupils; where a pupil is unable to complete a piece of evidence due to unavoidable circumstances caused by the pandemic, allowances will be discussed on an individual basis.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
December mock examination	All elements	Already completed, used for benchmarking and to show progression.
Energy Topic Test	P1	Already completed.
Particle Model of Matter Assessment Topic Test	P3	In class, late May.
Atomic Structure Topic Test	P4	Already completed.
Magnetism and Electromagnetism Topic Test	P7	In class, late April.

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
Section A: The Study of Religions: Beliefs and Teachings: Christianity	Fully covered.
Section A: The Study of Religions: Beliefs and Teachings: Islam	Partially covered – majority covered remotely and this will be reflected in the evidence bank.
Section B: Thematic Studies: Religious, Philosophical and Ethical Studies: Relationships and Families	Partially covered – majority covered remotely and this will be reflected in the evidence bank.
Section B: Thematic Studies: Religious, Philosophical and Ethical Studies: Religion, Peace and Conflict	Fully covered.

### EVIDENCE BANK

The table below outlines the pieces of evidence that will be collated for each pupil's portfolio, and ultimately used to determine their centre assessed grade. This list is for the majority of pupils; where a pupil is unable to complete a piece of evidence due to unavoidable circumstances caused by the pandemic, allowances will be discussed on an individual basis.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
December mock examination	All elements	Already completed, used for benchmarking and to show progression.
Christianity Topic Work	Section A: Christianity	In class throughout Courage 1.
Islam Topic Work	Section A: Islam	In class throughout Courage 1.
Relationships and Families Topic Work	Section B	In class throughout Courage 1.
Religion, Peace and Conflict Topic Work	Section B	In class throughout Courage 1.

## SCIENCE (COMBINED) GCSE

**TAUGHT COURSE COVERAGE:** *The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.*

Element of the Specification	How Much Will be Covered at CFS?
Biology Paper 1- B1 Cell Biology	Fully covered.
Biology Paper 1- B2 Organisation	Fully covered.
Biology Paper 1- B3 Infection and response	Fully covered.
Biology Paper 2- B5 Homeostasis and Response	Fully covered.
Biology Paper 1- B4 Bioenergetics	Partially covered due to lockdowns – will be reflected in evidence bank.
Biology Paper 2- B6 Inheritance and Variation	
Biology Paper 2- B7 Ecology	
Physics Paper 1 – P1 Energy	Fully covered.
Physics Paper 1 – P2 Electricity	Fully covered.
Physics Paper 1 – P3 Particle Model of Matter	Fully covered.
Physics Paper 1 – P4 Atomic Structure	Fully covered.
Physics Paper 2 – P5 Forces	Partially covered due to lockdowns – will be reflected in evidence bank.
Physics Paper 2 – P6 Waves	
Physics Paper 2 – P7 Magnetism and Electromagnetism	Fully covered.
Chemistry Paper 1 – C1 Atomic Structure and the Periodic Table	Fully covered.
Chemistry Paper 1 – C2 Bonding, Structure and Properties of Matter	Fully covered.
Chemistry Paper 1 – C3 Quantitative Chemistry	Fully covered.
Chemistry Paper 1 – C4 Chemical Changes	Fully covered.
Chemistry Paper 1 – C5 Energy Changes	Fully covered.
Chemistry Paper 2 – C6 Rate and Extent of Chemical Change	Fully covered.
Chemistry Paper 2 – C7 Organic Chemistry	Fully covered.
Chemistry Paper 2 – C8 Chemical Analysis	Partially covered due to lockdowns – will be reflected in evidence bank.
Chemistry Paper 2 – C9 Chemistry of the Atmosphere	
Chemistry Paper 2 – C10 Using Resources	

**EVIDENCE BANK:** *The table below outlines the pieces of evidence that will be collated for each pupil's portfolio, and ultimately used to determine their centre assessed grade. ## ART A LEVEL

### TAUGHT COURSE COVERAGE

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
<b>AO1</b> Develop ideas through sustained and focused investigations informed by contextual and other sources, demonstrating analytical and critical understanding.	All Assessment Objectives have been fully covered, however, the final evidence bank itself has been adapted due to the restrictions imposed by the two periods of remote learning.
<b>AO2</b> Explore and select appropriate resources, media, materials, techniques and processes, reviewing and refining ideas as work develops.	
<b>AO3</b> Record ideas, observations and insights relevant to intentions, reflecting critically on work and progress.	
<b>AO4</b> Present a personal and meaningful response that realises intentions and where appropriate, makes connections between visual and other elements.	

### EVIDENCE BANK

The table below outlines the pieces of evidence that will be collated for each pupil's portfolio, and ultimately used to determine their centre assessed grade. This list is for the majority of pupils; where a pupil is unable to complete a piece of evidence due to unavoidable circumstances caused by the pandemic, allowances will be discussed on an individual basis.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
Sketchbook and Portfolio Pieces	All Assessment Objectives, holistically assessed	Work in progress, will be completed during Courage 1.

### TAUGHT COURSE COVERAGE

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
Unit 1: Biological Molecules	Fully covered.
Unit 2: Cells	Fully covered.
Unit 3: Organisms Exchange Substances with their Environment	Fully covered.
Unit 4: Genetic Information Variation and Relationships between Organisms	Fully covered.
Unit 5: Energy Transfer in and between Organisms	Fully covered.
Unit 6: Organisms Respond to Changes in their Environments	Fully covered, but some remotely – this will be taken into account in the evidence bank.
Unit 7: Genetics, Populations, Evolutions and Ecosystems	Fully covered, but some remotely – this will be taken into account in the evidence bank.
Unit 8: The Control for Gene Expression	Fully covered, but some remotely – this will be taken into account in the evidence bank.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
December mock examination	Paper 1 and Paper 2	Already completed, will be used to benchmark and to show ongoing progress.
Transition Metals Topic Test	3.2.5 Transition Metals	In class, late April.
Amino Acids, Proteins and DNA Topic Test	3.3.13 Amino Acids, Proteins and DNA	Already completed.
Practical Analysis Topic Test	Practical aspects of paper 3	In class, late April.
Electrode Potential Home Learning	3.1.11 Electrode Potentials and electrochemical cells	Already completed.
PH and Buffers Home Learning	3.1.12 Acids and Bases	Already completed.
Period 3 Trends Home Learning	3.2.4 Properties of Period 3 elements and their oxides	Already completed.
Buffers and Titration Home Learning	3.1.12 Acids and Bases	Already completed.
Enthalpy and Energetics Class Work	3.1.4 Energetics and 3.1.5 Kinetics	In class, early May.
AS Organic Chemistry Part A Class Work	3.3 Organic Chemistry (AS aspects)	In class, mid May.
A2 Organic Chemistry Part B Class Work	3.3 Organic Chemistry (A2 aspects)	In class, late May.

## FURTHER MATHEMATICS A LEVEL

### TAUGHT COURSE COVERAGE

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
Pure Compulsory Content	Almost fully covered. Second order differential equations will not be covered by 28 <sup>th</sup> May, and so will not be formally assessed, but will be covered in Courage 2 to support progression to degree level.
Mechanics Optional Content	Fully covered.
Discrete Optional Content	Partially covered, some through self study due to lockdown. Will not form part of evidence bank.

### EVIDENCE BANK

As there is only one student, Mr Blandford-Davies will work with you during Courage 1 to formally define which in class and homework tasks will be included to ensure full coverage of the Pure and Mechanics elements.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
December mock examination	Pure and Mechanics	Already completed (NB. Discrete content was assessed at the time, but will not be included in the final evidence bank).
Variety of small in class assessments	Pure and Mechanics	Throughout Courage 1.
Variety of homework tasks	Pure	Some already completed, added to during Courage 1.

## GEOGRAPHY A LEVEL

### TAUGHT COURSE COVERAGE

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
Topic 1: Tectonic Processes and Hazards	Fully covered.
Topic 2: Coastal Landscapes and Change	Fully covered, mainly remotely. This will be considered in the evidence and review time will take place in school.
Topic 3: Globalisation	Fully covered.
Topic 4a: Regenerating Places	Fully covered, mainly remotely. This will be considered in the evidence and review time will take place in school.
Topic 5: The Water Cycle and Water Insecurity	Fully covered.
Topic 6: The Carbon Cycle and Energy Security	Fully covered, mainly remotely. This will be considered in the evidence and review time will take place in school.
Topic 7: Superpowers	Fully covered.
Topic 8b: Migration Identity and Sovereignty	Partially covered – content explored to help with progression, but will not be assessed in evidence bank.

### EVIDENCE BANK

The table below outlines the pieces of evidence that will be collated for each pupil's portfolio, and ultimately used to determine their centre assessed grade. This list is for the majority of pupils; where a pupil is unable to complete a piece of evidence due to unavoidable circumstances caused by the pandemic, allowances will be discussed on an individual basis.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
December mock examination	Topics 1, 2b, 3, 4a, 5, 7	Already completed, used to benchmark and to show ongoing progression.
Topic Assessment	Topics 1, 2b, 3, 4a	In class end of April.
Topic Work 1	Topics 5 and 6	In class mid May.
Topic Work 3	Topic 7	In class end of May.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
December mock examination	Pure and Mechanics	Already completed, used for benchmarking and to show ongoing progress.
Differential Equations Assessment	Pure	Already completed.
Numerical Methods Assessment	Pure	Already completed.
Differentiation and Integration check in	Pure	In class, late April.
Parametric Equations check in	Pure	In class, late April.
Binomial Expansion and Trigonometry check in	Pure	In class, early May.
Partial Fractions check in	Pure	In class, mid May.
Kinematics check in	Mechanics	In class, mid May.
Sequences and Series and Proof check in	Mechanics	In class, late May.
Vectors check in	Mechanics	In class, late May.
Forces check in	Mechanics	In class, late May.

## PHYSICAL EDUCATION A LEVEL

### TAUGHT COURSE COVERAGE

The table below outlines to what extent each section of the normal course will be taught at CFS by 28<sup>th</sup> May.

Element of the Specification	How Much Will be Covered at CFS?
1.1 Applied Anatomy and Physiology	Fully covered.
1.2 Skill Acquisition	Fully covered.
1.3 Sport and Society	Fully covered.
2.1 Exercise Physiology	Fully covered.
2.2 Biomechanical Movement	Fully covered.
2.3 Sport Psychology	Fully covered.
2.4 Sport and Society and the Role of Technology	Fully covered.
NEA Practical Performance	Partially covered. Due to the extensive restrictions imposed because of the pandemic, this area cannot be covered or assessed fully.
NEA Performance Analysis Assessment	Fully covered.

### EVIDENCE BANK

The table below outlines the pieces of evidence that will be collated for each pupil's portfolio, and ultimately used to determine their centre assessed grade. This list is for the majority of pupils; where a pupil is unable to complete a piece of evidence due to unavoidable circumstances caused by the pandemic, allowances will be discussed on an individual basis.

Piece of Evidence	Element of Course Being Assessed	When will/was the evidence completed?
November mock examination	2.1, 2.2, 2.3	Already completed, used for benchmarking and to show ongoing progress.
December mock examination	1.1, 1.2, 1.3	Already completed.
Written performance analysis and evaluation	NEA performance analysis assessment and 2.3	Completed from March to May.
Applied Anatomy topic work	1.1	In class during Courage 1.
Skill Acquisition topic work	1.2	In class during Courage 1.
Sport and Society topic work	1.3	In class during Courage 1.
