

Live Lesson Timetable from Monday 18th January

Live Lessons are happening in line with the normal timetable – in most cases there are no changes to when pupils have each subject, this timetable simply highlights which are the live lessons. There are just a couple of times in Years 10 and 11 where we have timetabled all pupils to have a lesson like English, whereas normally PSHE/RS would have been happening for some groups. This is outlined on the timetables below.

Where the period is blank, recorded tuition and work will be set on Satchel One as previously, with teachers available for live feedback either through Satchel One or on Microsoft Teams. Pupils are encouraged to complete all work in line with their normal timetable wherever possible. This will help them to keep track of work, keep on top of everything, and access all of the live feedback and live lessons with their teachers.
