

Professor Poopenshtinken's
MAGICAL MATHS

Magical Maths...

...starts in January!

Get ready for a club packed full of mind boggling tricks, games and puzzles. That's right - **Professor Poopenshtinken and friends will be back** for lots of mathemagical fun! Our new club starts **Wednesday 7th January 3:30 - 4:30pm** for years 1 - 6. The club is priced at £99 - including the after-school club sessions, access to Magical Maths Online (forever!) and your child's very own Magical Maths pencil and folder to collect their tricks, activities and stickers.

Children will wear hats and wands for fast paced **maths duels**, stretch their legs on Mathletes week and solve countless puzzles. The newest Maths Geniuses will be able to **multiply huge numbers** in their heads, **read minds** and lots more... The club is specially designed for engagement and fun, and we will support or stretch the children as needed!

Professor Poopenshtinken and friends have loads of **new number tricks, games and activities** all designed to be loads of fun, and to **boost your child's confidence and engagement in maths!**

You can now book on our website or by phone:
