FAQs – Food Qu.s

- ▶ Q. I am experiencing problems with Parent Pay for lunches with my account in debt/not able to load money on/incorrect charges what can I do?
 - ▶ A: This has been raised with Edwards and Ward the caterers who have been in contact with Parent Pay. The school is not involved with the arrangements for Parent Pay and the caterers and so any issues are to be directed to them chichesterfree@edwardsandward.co.uk. If the issue continues and remains unresolved please contact the school office.
- ▶ Q. I am concerned about the quality of the food available after reports from others.
 - ▶ A: School and the caterers have been providing photos of the lunches available which are being posted on the Facebook Schoolgate page. Feedback from parents has resulted in the caterers looking at options to increase wholemeal bread and vegetable options and Free From ranges.

FAQs

- ▶ Q. What is the plan for a Yr 11 leavers gift?
 - ▶ A: Hoodies will be available and a film is made which is shown in an assembly. Planning for this usually starts in April. If anyone would like to get involved please contact swilliams@chichesterfreeschool.org.uk
- ▶ Q. Will the school be joining up to the Mile a Day campaign
 - ▶ A: Yes - from September 2019. Once more details are known this will be shared closer to being launched.
- ▶ Q. Are the school going to provide any additional external play equipment as there seems to be lack of equipment/facilities available?
 - ▶ A: Yes - Response 15 Feb - Our School Council have been busy reviewing the playground equipment currently available for Infant and Junior pupils. They have put together a wish list and are just in the process of using the budget provided to them to place an order for a range of new equipment. We will update you with photographs as soon as the equipment arrives.
- ▶ Q. How can I get access to my child's teacher before and after school?
 - ▶ A: In addition to email communication with teachers, parents can make an appointment at any time that teachers are free via the Main Office. Teachers will always do their best to accommodate parents after school, fitting this around their club commitment.
