

13 July 2021

Dear Parents/Carers

From September 2021, we are changing our Catering provider. Whilst this is the second time we have done this in a year, we feel that the new permanent provider, **Innovate**, will provide an exceptional catering experience for our students.

We hope that when our students return in September that they will also like the new look of the secondary dining room.

On our website you will find a welcome message from Innovate together with additional information about the service they will be providing. <https://www.chichesterfreeschool.org.uk/catering/>

As a great addition, we will also be offering breakfast from 7.45am.

If your child has a credit on their ParentPay Meal account at the end of the school year, then this will automatically transfer over to the new caterers.

If you have any questions for our new caterers please contact them on chichesterfree@impactfood.co.uk

Best wishes

The School Office Team
