

Year 1

Home Learning

For parents who have chosen to keep their children at home for self-isolation, please use the following guidance.
If we have a school closure, please use Show My Homework for updated learning tasks.

Maths Home Learning Grid

Practise your tables, play a maths game and choose one other thing to work on each day. Watch the video link for each one and then have a go yourself!

English Home Learning Grid

Practise your spellings, phonics and reading daily, then choose a writing task to spend approximately 1 hour completing.

Spelling

Practise the High Frequency Words and the Year 1 Common Exception words.

Reading

Read your reading book with a grown up at home. If you finish your book write a short book review about what you liked or didn't like.

You can read your home books too. Have a go at making predictions about what might happen in the story and think about how the characters are feeling and how you know.

Phonics

Spend 30 minutes a day practising your phonics sounds. Play some games to practise all your phase sounds.
