

# Early Man: Stone Age to Iron Age

Temperance Term 1

Year 3

6 Weeks

## Physical Education

To develop a variety of skills for a range of sports including:

- Tag Rugby
- Gymnastics

## Science

In this learning experience term, we will be studying rocks, including fossils.

## Mathematics

During this period the areas being covered will be: Number and place value to 1000, addition using three-digit numbers, subtraction using three-digit numbers, multiplication and division

## Computing

To develop a variety of ICT skills through the use of iPads and Laptops by:

- Learning to copy and paste
- Learning how to use Publisher, Word and Pages as word processing programmes.

## English

We are exploring a variety of texts this half term. Our key text is Stig of the Dump and The Secrets of Stonehenge. We will be focusing on writing in Inform and writing to discuss.

The children will learn, develop and explore English by:

- writing a recount of Butser farm
- creating an Information page about the Stone Age
- composing a book review
- using a range of grammar in their writing
- developing spelling strategies
- perfecting their letter formation
- partaking in guided reading

## Art and Design Technology

- Developing sketching techniques
- Sketching artefacts
- Sketching Stonehenge
- Making clay Stone Age jewellery
- Skara Brea watercolour
- Exploring Cave Art
- Making Stone Age paint
- Moving Stonehenge project

## History

We are exploring the Stone Age, Bronze Age and Iron Age. Where did they live? What did they wear? What was early life like?

## Learning Behaviours

We will be focusing on independence and resilience
