

## Geography

We are exploring our planet by exploring:

- The Earth's layers
- Earthquakes
- Volcanoes

## Physical Education

To develop a variety of skills for a range of sports including:

- Football
- Netball

## PSHE

British Values

## Mathematics

During this period the areas being covered will be:

- Money
- Time

We will also continue to work on mathematical fluency during arithmetic sessions.

## Learning Behaviours

In this learning experience we will be focusing on cooperation.

# **Our Explosive Planet Temperance Term 2 Year 3**

**3 Weeks**

## Art and Design Technology

- Landscape drawing using mixed media
- Stone painting to hide in different landscapes
- Making a volcano model
- Making a mini-earth model to demonstrate the different layers

## English

The writing focus of this learning experience is "To Entertain".

The children will learn, develop and explore English by:

- undertaking descriptive writing
- reading the story "Pebble in my Pocket"
- using of a range of grammar in their writing
- developing spelling strategies
- developing their letter formation and handwriting style
- partaking in daily guided reading
- completing Big Quiz 's to develop their comprehension skills

## Science

The principal focus is to enable the children to broaden their scientific view of the world around them. They will work scientifically carrying out fair tests and working as scientist would, drawing conclusions and using scientific language.

During this learn experience we will continue to look at the topic of light.
