

# CHILDREN'S BOOKFEST

Dear Families

We're delighted to tell you that the BookFest is coming to **Chichester Free School**.

Our mission is to inspire a love of reading and help children to realise the huge potential they can unlock within themselves when they engage with stories. We work with your terrific teachers to bring authors, illustrators and poets into schools, to meet the children, inspire them with their energy and creativity, and answer all their fabulous questions.

And on top of all that, Children's Bookfest also buys a copy of the book for each and every child involved in the presentation. Your child takes their book up to be signed especially for them by the author, and then they get to take it home to treasure and keep and share with you. To give you some context, during the 2023 BookFests we bought over 5000 books for local children, and we're growing every year!

To find out more about us, and the work we do throughout the year to put books into the hands of children in your area, visit [childrensbookfest.com](https://childrensbookfest.com) or follow us on social media.

**Now, without further ado, the author coming on Wednesday 8th October is Eve Wersocki Morris to talk about their book Clem Fatale Has Been Betrayed**

We hope your children enjoy every second and love their new book!

We'd like to say a huge thank you to **Chichester Free School** for being part of the BookFest and for their continued support and enthusiasm.

Warmest wishes

**Children's Bookfest**
