

Our topic this term is called Behind Enemy Lines. The children will study World War One and World War Two for the whole of Temperance term.

English

In English we are studying the book War Horse by Michael Morpurgo. The children will have the opportunity to explore a variety of writing outcomes including letter writing, diary entries, a narrative as well as a non-fiction piece of writing.

IT

The children will be able to explore internet safety.

Art

The children will have the opportunity to explore sketching skills through drawing of the human figure- stationary and in motion.

History

The children will be investigating World War One- life during WW1, elements that led to the war, life on the Western front and the role of animals.

Science

In Science the children will be exploring light through a range of investigations.

Maths

The children will cover place value and the four operation.

RE

In Re the children will be thinking about the concept of Eternity- they will look at the main six religions and some of their beliefs.
