| Topic | Live Lounge Part II | | | | | | |
| | This topic builds on all skills developed so far in years 7 and 8 and gives pupils the immersive experience of putting together a performance of a popular song with minimal or no input from the teacher. This topic has been developed using the Musical Futures teaching model. Students will then go on to create a presentation charting the process and further discussion of the song, the band/artist and time and place in which it was created. | | | | | | |

| Topic | Composing for Special Occasions/Writing to a given brief | | | | | | |
| | In this unit, students will learn how music can enhance an event, and about the challenge of composing music to a brief or commission for a particular event, occasion or audience. It will include guidance on writing lyrics for those choosing a song as their brief and how to draw on their own skill set in creating coherent musical ideas. This is intended as a bridge unit for those embarking on KS4 GCSE Music study and a terminal project for those whose study of Music ends here. | | | | | | |
